Similar to a

San Francisco-style trolley bus, Omnitrans trolleys can run at higher speeds and provide higher passenger capacity than a general purpose bus. Omnitrans offers service on regular routes in the Santa Barbara, California area. History Omnitrans began operations on March 30, 1994, and was the successor to the Cabrillo Transit District. Omnitrans now operates five routes in Santa Barbara County, and began expansion to go to neighboring counties in 1996. During this time, Omnitrans designed and built a new fleet of buses. Omn
