Back to Inventor Category. Back to Topic Listing Previous Next. Message 5 of 7. Please provide the following information so that we can begin the reset process I am trying to upgrade 20.8 to 21, from the website, I am on a mac, I have xforce 4.0 enterprise and 2 product keys. Using the list only allows me to go down to 20.2, when I click the check code button it goes to the activation entry error screen. Using just one product key all of the upgrades go to the activation entry error screen. I have tried to reset xforce 4.0 to my original configuration, and have reseated the hardware. Any suggestions just want to Thank you for this website. My brother got a PC with the latest version of AutoCAD, and he cannot activate the software, we have tried everything, and he is getting more frustrated everyday. Just yesterday, we were looking for a solution for his problem, and then came across your website and I was extremely happy to see that we can fix his problem by using xforce. I thought I will give it a try, and I am glad I did. The codes that I used for activation is 123456, 895789, 789456, 215689. ERROR: Information provided in the activation entry is invalid. You should follow these instructions to resolve the issue: 1. Go to <https://products.autodesk.com/past> 2. From a product in the list of products on the screen, select "View Installation Details" in the "Activation Help" tab 3. Click "Reset to Default Settings". 4. Enter your product key. 5. Click "Reconfigure". 6. Enter the code you generated for activation and click "Next". universal xforce keygen autodesk 2015 autocad I am unable to activate the product. I have tried the xforce method. In my case I was downloading a trial version of 2016. My product key 713321. I would like to be able to use my product key in future.
